(d) if so, the details thereof;

(e) whether assessment has been made on the contribution of the private sector in increasing generation of power; and

(f) if so, the details thereof?

Answer

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE)

(a) to (f) : A Statement is laid on the Table of the House.

STATEMENT

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (f) OF STARRED QUESTION NO. 268 TO BE ANSWERED IN THE LOK SABHA ON 11.08.2006 REGARDING PRIVATE POWER PROJECTS.

(a) & (b) : As per information available with Central Electricity Authority, eleven power projects comprising of seven thermal and four hydro electric power projects are likely to be commissioned during the next three years. Project-wise details of these projects with capacity addition in MW from them are given in the Annexure.

(c) & (d) : As per information available, the construction work of these projects are progressing as per schedule. Details are in the Annexure.

(e) & (f) : In the beginning of 10th Plan, the all-India installed capacity in private sector was 9,232 MW, i.e. 8,651 MW thermal and 581 MW hydro, out of a total installed capacity of 1,05,046 MW in the country (8.7% of the installed capacity in the private sector). It has been assessed that 4,898 MW of capacity addition i.e. 4,198 MW thermal and 700 MW hydro is anticipated from the private sector, out of a total anticipated 34,024 MW capacity addition in the Tenth Plan

(14% of capacity addition in private sector).
